EXPORTING FUN & INNOVATION WORLDWIDE

SWISSGAMES

EXPORTING FUN & INNOVATION WORLDWIDE

SwissGames is an initiative by the Swiss Arts Council Pro Helvetia to promote the Swiss game industry in Switzerland and internationally. Its core mission is to help Swiss game designers and developers to gain visibility, build relationships with the international game industry, and access global markets. The SwissGames delegations are present at **Gamescom, GDC, Nordic Game Conference, Game Connection Europe and VR Days Europe.**

The SwissGames delegation to GDC 2022 is organized by the Swiss Arts Council Pro Helvetia, in partnership with Swissnex in San Francisco and supported by Presence Switzerland.

SwissGames Delegation at GDC

It is a milestone: SwissGames is proud to present a delegation of 10 Swiss game studios to San Francisco for the 11th year in a row. The Swiss game industry is soaring more than ever and this year's delegation is the best showcase of its diversity and creativity. With only a small population of 8.6million, Switzerland is packed with skills and talent, both on a technological and creative level.

SwissGames is proud to export fun and innovation worldwide!

MOBA

PLATFORM: MOBILE | RELEASE: 2022

Crowned MOBA

by Crowned.gg

MOBA is the most popular esports genre worldwide. Still, these games are mostly dominated by complex hardcore titles with their roots on PC gaming. Even today's MOBAs which are available on mobile phones are just a "squeeze" of their PC versions. Crowned is an uncompromising mobile-first MOBA game for the new generation of esports players. There is no other MOBA on the market yet which is truly designed mobile-first. We're embracing the rapidly growing wave of esports becoming mainstream on mobile.

Hermit: an Underwater Tale

by Early Coffee Games

Hermit: an Underwater Tale is a fast paced arcade game. As a hermit crab, you face waves of dangerous sea creatures. To defeat them and protect yourself, you have access to a wide variety of powerful shells. Each one comes with a specific set of crazy moves, but will eventually break. So be aware! Without any shell, the hermit is fully exposed and any damage received will be lethal. Surviving requires skill, active resources management and serious stamina. Will you beat the game?

Legion Hearts

by Kreidenwerk

Legion Hearts is a tactical RPG where you assemble your very own army deck using warriors from every epoch of history and deploy your troops in turn-based autochess battles. Travel back in time to save Midgard as the last living Valkyrie in the story-driven campaign, explore the depths of Hel in the replayable roguelite mode or challenge other players online in the grand arena–your legion, your tactics.

[I] doesn't exist: a modern text-adventure

by LUAL Games

In "[I] doesn't exist" modern technology and old school text-adventure come together, visualized through lovingly crafted pixel art. Solve puzzles in a mystical forest and talk to a cute mushroom - until your avatar has had enough. What seemed like a one-sided relationship, develops into a conversation between avatar and player. Will you manage to take back control?

Grimoire Groves

by Stardust

Four witches inherited an old cottage in the Grimoire Groves. They couldn't wait to finally move to the fabled forest, which is a home to magical creatures and plants. As the witches arrived in the Grimoire Groves, they noticed that something was off. Only a few plant creatures were still around, and the forest spirits were missing. But not all is lost. With a little dedication, investigation and magic, the witches might just be the ones to restore the Grimoire Groves to the lush forest it once was!

Our Partners

swiss arts council prohelvetia

The Swiss Arts Council Pro Helvetia supports contemporary arts and creation in Switzerland. It seeks to disseminate and promote them, both at home and abroad, and cultivates exchanges at national and international levels. Through its own initiatives, it contributes to the development of contemporary cultural life and creates new networks for Swiss cultural actors in Switzerland and beyond national borders. Together with its head office in Zurich, the Swiss Arts Council has a presence around the world through its network of liaison offices and partner institutions.

Pro Helvetia has been supporting interactive media for over 11 years. Through work grants and the organization of SwissGames delegations to major industry events, the Foundation aims to help Swiss emerging talents to strengthen their networks and achieve their professional objectives.
